TE 251 PURE

Exclusive design

Dreamed and designed by Curventa, the TE 251 Pure is much more than a phone. The black and white handset, laid on its white glossy base, transforms this phone on an effective and surprising decoration object

Original keypad

To preserve beauty of the product, TE 251 Pure gets a full touch keypad, working with LEDs.
Invisible in standby mode, it illuminates instantly in use and wait for fingertips actions. During communication, keypad locks himself to avoid any unwanted move.

Pleasure of phoning

Access to phone functions is pleasant and simple thanks to illustrated menus and graphical backlit display (1"45). With a speakerphone to benefit from all calls, phonebook capacity of 250 contacts, agenda and SMS, the TE 251 Pure gathers efficiently performance and design. And it already have a digital answering machine (15min), controllable from handset.
